## THERE IS NOTHING OFFERED FOR THE PRICE THAT PAYS AS WELL AS TEE-DEE WANT ADS MAJORITY FOR SOLOMON

Returns From Eleven Precincts Give Sheriff Twelve and Easley Four Delegates.

### SPLIT AT HARDIN'S SHOP

Easley People Walk Out and Refuse to Participate-Primary Generally Endorsed.

Beyond the scene at a single predict, where the meeting split and engaged in a wordy war that ended with the withdrawal of one side, Henrico contained herself in peace and good order, voted almost solidly for the primary, and

almost solidly for the primary, and elected the major portion of her delegates for Sheriff Simon Solomon, candidate for the Stato Committee, against Mr. John C. Basley, the Incumbent.

At midnight the returns from eleven precincts gave to Sheriff Solomon twelve of the twenty-two delegates to which the county is entitled, and to Mr. Easley four. This still left unreported five precincts, with as many delegates. A contest will be made at Hardin's Shop, where three Solomon men were elected after the Basley delegation had walkod out and retured to participate. The followers of the sheriff celim to have swept the county, and the face of the returns thus far give him a decided majority.

Throughout the county the fight was almost entirely upon the State Committee issue. The primary, for which the county instructed wherever instructions were given, did not enter largely into the election. The same was the case with the presidential nominee. In Clessiuit Hill the Hearst delegate was elected and an unsuccessful effort was made to instruct for Hearst.

THIP ONLY DISTURBANCE.

The only disturbance reported was at Hardin's Shop. A number of the precincis failed to be provided with lists of qualified votors, than whom none other were permitted 'to participate in the meetings. The trouble arose over this point. At the precinct in question the Easley Accepted in the meeting be postponed until the list could be secured. Prompt opposition was present was intense at timos, and the discussion was quite lively. So far as could be gathered last night no blows were passed, though it was reported that two of the disputants were prepared to engage in a fisticulif when an officer intervened. The upshot of the division was that the Easley delegation, composed of Messrs. Kellam, Dickinson and Brauer, walked out and refused to take part in the meeting. The Solomon delegation wore thereupon elected. They are Messrs. Charles Hubbard, Lewis Gentry and Lrbane Mills—over the Easley delegation—John R. Jeter, Warren Crowder and Crbane Mills—over

party for President. The balloting resulted in the election to the State Committee of F. B. Traylor (Solomon), and W. K. Bache (Easley).

On Chestnut Hill, Mr. E. M. McClure, a Hearst Man, was chosen delegate. An effort was made to instruct for Hearst, but the matter never came to a vote. The meeting endorsed Easley and instructed for the primary.

Varina is said to have gone solidly for Solomon. Baker's Precinct elected J. T. Angle without opposition. There

or Solomon. Baker's Precinct elected J. T. Angle without opposition. There were no instructions. At Carter's, Waver-ly Smoot was elected without opposition. The meeting instructed for the primary, At Whitlock's, Mr. Warriner was elected and the meeting was instructed for the primary. All three of these are Solomon men.

primary. All three of these are Solomon men.

In the upper end of the county, Westhampton and Ridge Church want together, failed to agree on the primary, and elected its delegates without instructions. Judge T. Ashry Wicknam, a Selomon man, was chosen, with Mr. C. E. Smith, as alternate.

Short Pump forgot that there was an election and failed to hold a merting. This leaves five predicts edit unreported, each with one delegate, Jones, Bruins, Hungary, Seven Pines and Town Hall. Of those reported, the summarized result for the State Committee is on the face of the returns as follows:

low:
For Solomon: Barton Heights (one delegate), Hardin's Shop (three delegates, Howards Grove (three delegates, Howards Grove (three delegates), Whitlock (one delegate), Baker's (one delegate), Ridge Church and Westhampton (one delegate), Totali for Solomon, E delegates, For Easley: Shumaker's (two delegates), Barton Heights (one delegate), Chestnut Hill (one delegate), Total, four delegates.

Parker.

Coionel Joseph Button, accretary of the State Democratic Committee, returned to the City last night, on his way home from an extended southern tong having visited the States of Alabama and Tennessee. He is hegrifly in favor of instructing the Virginia delegation to St. Louis in favor of Judge Alton B. Parker, of New York, whom he thinks will be nomitated and elected.

Colonel Button contends that the Hearat people all over the country are laboring to prevent instructions in the various States, and he says he is opposed to doing what is desired by Bryan and Hearst, He says the Tennessee convention will meet to-day and from what he could gather the body will instruct for Parker. The Alabama Democra's will meet to-morrow, and he looks for the same results in that State.

He believes also that Georgia and Miss stippt will instruct, and he declares that if Virginia desires to become a factor at St. Louis, she should take strong ground for Parker and help to make him the nominee instead of waiting until the convention has acted Colonel Button will be here for several Gays.
